the foregoing to be the true and correct entries of all Deaths [illegible] for the half-year ending

April 26, 1996

Dear George and Fran,

George, I hope you'er on the fast track from your knee surgery? Hope and pray that you are suffering----instead painless and enjoyable R. and R.. A few my mother friends have had their knees replaced, and up and walking after recovery, with very little, if any, pain. Some of the Sports doctors for the University of Wyoming and the general public are doing some amazing, if not unbelievable operations. It used to be several weeks in the hospital: Now it's out patient therapy and sometimes home for dinner!

Question? Has either of you wondered where the name Pontius came from? I think the answer to my 25-year quest to prove my theory was discovered today in the Stephenson County, Illinois cemetery records. [I am researching a friends family in Stephenson County, trying to prove his Hauser, Thomas, Tuttles and allied families back to Pennsylvania and their contribution in the American Revolution.]

Pontius, is an old family name, but I have never found a Pontius Family Genealogy. Maybe, I am not looking in the correct genealogical libraries. For years, I have thought Pontius may be Portuguese or a French Huguenot, such as my allied distant grandfather Ferdinando Thayer [Portuguese?] and Jaques Louise Guillet-[Huguenot].

Enclosed is legal evidence of the last name of Pontius, proving theory that his first name was a family last name. Now to prove if Pontius was named after his mother's or grandmother's maiden name?

Looks as if my 26-year search to prove our Howards back to the Magna Charta is drawing towards a successful conclusion. Once I am notified I am legally a life member, all you would need to do, George, should you desisre to join, would be to prove yourself back to ZEPHANIAH HOWARD and your distant grandmother LYDIA VALERIA WOOLEY.

The one time life membership fee is, $150.00. I am hoping [if successful] that all 45 eligible descendents of HARRY DELOS HOWARD AND NELETTA ELIDA GUILLET PETTET, will join.

I would like for the Howards and Allied Families, to have their own society that meets annually, like the Pilgrim John Howland Society.

For now take care and please stay in touch.

Best Wishes,

Marshall

The Guillet Family.

As written by Cephas Guillet.

Clarence in rummaging over Elise's papers, came across upon one written a good many years ago, in which she gave facts about our family historyderived from brother Charlie and me.

Mother said Charles Guillet, our grandfather, was a cabinet maker. Cousin said that Marie Thoreau, our grandmother, wife of Charles Guillet, was related to the american writer Henry Thoreau, whose grand father, John Thoreau, was a native of St. Helier's, capital Jersey, and emigrated to New England about 1773. His son John, father of the author of Walden (Henry Thoreau)followed pencil making in Concord. Mass.

Harriet Gabourel, granddaughter of Elizabeth Guillet, was living with two sisters, Louise and Elise and a married niece and nephew at Kirkconnel Hall, Ecclefechan, Scotland, until quite recentlyat a good old age. She wrote several stories, two of which were sent to us by cousin Harriet, namely, "Susanne Delorme," a tale of the Huguenot persecution, and " The Knight and the Dragon," a tale of chivalry, the scene of which was laid in Jersey.

Our Guillet ancestors were Huguenots, forced to flee from France at the revocation of the edict of Nantes.

Cousin Harriet once (1888) told Charlie that her grandfather (ours) Charles Guillet, and his four brothers and sisters she believed were the sons and daughters of James Guillet, the son of Jacques Louis Guillet, who, being a Huguenot, fled from Francewith his motherat the revocation of the Edict of Nantes(1685). The mother's maiden name, she belirved, DeLa Leeroy, but was not sureof the spelling nor certain that was her name. The original portraits of herself and sister, and of Jacque LOuis were in Jersey at the time she told Charlie this (1888). Cephas thinks he saw them at Susie Westaway's. She has since married a Mr. Collas, whose address is or was 2 Chesterton Terrace, Cirencester, Gloucestershire, England. Charlotte Westaway married a RogerMiles in Leicestershire.. These are the only relatives knownof in England.(?)

(There was a Boy in Jersey when I (Cephas) was there, ~~related to us,~~ John DEary Geboural, April 13, 1892.) And another, Nathaniel Westaway (same age , I saw him.) First nephew of the Geboural sister Mr. Dr. Frank Arnott Collington and his wife Harriet Arnott(first cousin), live in Eclefechan, Scotland. Also Dr, Catherine Arnott has an appointment in county asylum of Lancaster.

Charles Guillet was born in Richmond, England, (now a part of London. and came to Jersey with his parents about or before 1781. He married Marie Thoreau, He had two brothers, James and Daniel, and two sisters, Elizabeth(m Gabourel) and Mary Ann (m Pickstock)

Charles and Marie had the following children;

1. Charles who died a bachelor of a fever in E. Indies;
2. John Guillet born Sept. 1802, married Hannah Payne, first wife, Charlotte Payne, second wife, and Sarah Catherine Payne, Dr
3. third wife . These were three sisters.

3.George, born Dec. 18, 1803, m. Franc es D u B is. Their children were George and Harriet (Cousin Harriet).
4. Peter 5. Mary, 6. Anne, m. John Nathaniel Westaway.

2. John Guillet ~~had~~ and wife Hannah had a child named ~~[illegible]~~ Mary Anne. John Guillet and wife Charlotte had four children , Walter, Sarah Hanna George , and Charlotte.

John and wife Sarah Catherine had ten children, a boy the first born died at birth.--Emma, Albert, James, William, Charles, Harriet, Edwin, Cephas, and Elise.

The Dolliet Family.

As written by: Denise Dolliet.

Clarence's romantic cousin Eliza's sisters came with a [illegible] one Dolliet
a four page paper, in which she gave facts about our family
historical from brother Charlie and me.
Mother said Charles Dolliet, our grandfather, was a soldier, sailor,
Cecile said that Marie Thoreau, our grandmother, wife of Charles
Dolliet, was related to the American writer Henry Thoreau, here found

Father, John Thoreau, was a Dollier of St. Helier's, married a Jersey,
and emigrated to New England about 1773. His son John, father of the
author of Walden (Henry Thoreau followed pencil making in Concord,
Mass.

Harriet Dandonnel, granddaughter of Elizabeth Dolliet, was living
with her sisters, Louise and Eliza, and a married niece and nephew
at Greenhouse Hall, Hoddesdon, Scotland, until Emily recalled a good
old age. She wrote several stories, two of which were sent to us
by cousin Charles, namely, "Innocent Delores," a tale of the Huguenot
persecution, and " The Knight and the Dragon," a tale of Vandalism,
the scene of which was laid in Jersey.

Our Dolliet ancestors were Huguenots, forced to flee from France
at the revocation of the Edict of Nantes.

Cousin Harriet says (1888) this records that her grandfather (our
Charles Dolliet, and his four brothers and sisters who believed were
the sons and daughters of Jean Dolliet, the son of Jacques Louis
Dolliet, who, being a Huguenot, fled from France with his wife at the
revocation of the Edict of Nantes(1685). The latter's maiden name,
she believed, was Laurent, but was not sure of the spelling not exactly
sure of her name. The original residence of Charles was at [illegible]
of Jacques Louis went to Jersey at the time and [illegible] Charlie told
(1886). Cousin thinks he was born at Saint Martin's. She has also
a cousin, a Mrs. Dollier, whose address is at one of Georgetown Terrace,
in Gloucester, a new staircase, England. Charlotte Thoreau
married a cooperative in Gloucestershire. These are the only relatives
known in England.(?)

(There was a boy in Jersey when I (Germaine) was there, [illegible]
John-Henry Dandonnel, April 13, 1890,) and another, Nathaniel
Dandonnel [illegible] , I was him.) First cousins of the Dandonnel sisters
Dr. [illegible] Dolliet and his wife Harriet [illegible]
living in Kelvedon, Scotland, also Dr. [illegible] Arnott was
[illegible] of Lanark [illegible].

Charles Dolliet was born in Kingston, England, [illegible] of London,
and came to Jersey with his parents about or before 1750. He
married Marie Thoreau. He had two brothers, James and Robert, and two
sisters, Elizabeth & [illegible] and [illegible]

1. Charles who died a bachelor at a [illegible] (Jersey)
2. John Dolliet born Oct. 1802, married Hannah Wagner, first wife,
Charlotte [illegible], second wife, and Sarah Catherine [illegible],
3. third wife . There were three of them.

3. Matilda, born Dec. 19, 1803, m. Francis O'Neill. Their children were
George and Harriet (Cousin Harriet).
4. Peter 5. Mary, 6. Anne, 7. John Nathaniel Dolliet,
John Dolliet's second wife Hannah had a child named Robert [illegible]
John Dolliet and wife Charlotte had four children , Walter, John James

Dear Fran,

I need your help, please, in locating the Dutch records for Wills, Probates, Letters of Administration, etc., prior to 1683, for Long Island New York. Next, I need your help in translating Dutch into English. The years we need to examine are from 1665 through February 7, 1670. If Edward Howard, Senior's death happened February 1670, add another five years. If Edward's will is found, in a printed book, it is vital we learn what volume or volumes and page or pages the will is in and on, so we hopefully may obtain a copy. I hope Suffolk County, New York Superior Court might have it.

Enclosed evidence confirms Edward Howard married, first, Hannah Hawkins and, second, he married Esther ______________? I strongly suspect Esther Stevens/Stevenson. The Stevens/Stevenson family were quite prominent Long Island residents. Conformation for first wife is given on marriage license. Esther is confirmed on Matthew's birth certificate and widow Esther Howard married to Alexander Bennett 7 Feb 1670 of Flatbush, Long Island.

Hope this news excites and recharges you, as it has me. I stumbled on the Long Island facts, while browsing through the Coe Library at the University of Wyoming, Laramie, Wyoming, on Sunday afternoon.

Take care and do stay in touch.

Happy Halloween,

Marshall

Roosevelt Buttons and Stickers Now Available to Democratic Boosters

Democrats and those Republicans of this county who have been inquiring for Roosevelt stickers for their cars and buttons for their coats or dresses may now obtain them, since the first bunch of these arrived here this week. Although the number is limited at present, it is expected that more will be procured as soon as possible.

These stickers and buttons, along with pictures of President Roosevelt and Senator Joe O'Mahoney may be obtained from Democratic County Chairman Joe Kuhn or at this office.

The demand for these emblems and literature has been greater than it was in 1936 and has become more pronounced in recent weeks, since the Republican presidential candidate, Wendell Willkie began his nation-wide campaign. Many Republicans who at the start of the campaign they were for Willkie, are now frequently heard denouncing him and his utterances.

One caller, long a prominent Republican supporter in this county, when asked the other day what he thought of the presidential race, remarked, "I give Willkie four states." He added: "The only difference between Willkie and Landon is that he (Willkie) is just a little bit fatter."

Miss Edith Christian Is Given Honor Appointment At Mercy Hospital; Made Visiting Nurse

Miss Edith Christian, daughter of Mr. and Mrs. James W. Christian of Lusk was honored this week by being appointed Visiting Nurse of the Mercy hospital in Denver.

The girl who is chosen must be a member of the senior class and must be the most brilliant and outstanding nurse from her class.

Miss Christian is the second girl from this locality to be honored in this way in as many years. Last year, Miss Nellie DeGering, daughter of Mr. and Mrs. Albert DeGering of Hat Creek was chosen.

Dr. W. H. Hassed Ends Life Monday at Family Residence; Poor Health Said Cause, Burial Rites Held Wednesday

Dr. Walter H. Hassed, for years a prominent physician of this county, World War veteran and former state health officer for Wyoming, and Niobrara county health officer, died by his own hand in the bedroom of his home in this city shortly after 10:30 o'clock Monday morning. Despondent over ill health which has been his lot for the past ten years, Dr. Hassed, who had gone to his room to rest, took a 30-40 calibre high-powered rifle from his closet, placed the muzzled of the gun to his forehead and pulled the trigger. The force of the close-range blast from the rifle tore the top of his head off and he died instantly.

Mrs. Georgia Hassed, his wife, had eaten breakfast with the doctor at which time he acted and seemed to feel as well as usual. He then took a bath and later went to his bedroom for a rest which frequently was his custim. Meanwhile, Mrs. Hassed left the residence to go to the office building, located on the rear of the lot, where a patient was waiting. Dr. Hassed was in the house alone except for Miss Lola Osborn, housemaid, who was at work in the kitchen.

When Miss Osborn heard the shot, she rushed to the door and called Mrs. Hassed, who hurried to the house and went to the doctor's bedroom. He lay dead on the floor. County Coroner George Earl Peet was immediately summoned, and after an examination of the room and the situation in general, he declared the act a suicide and thus eliminated the necessity of calling a coroner's jury. The remains of the doctor were shortly thereafter removed to the undertaking parlors, in charg of Mr. Peet.

Dr. Hassed some years ago underwent a series of major operations and from the effects of these he developed severe neuritis. This, with its almost constant suffering, had helped largely to tear down physical resistance and lead to other ailments. During the past three years, the man's health had failed a great deal, and in recent months he had been treated at both the Battle Mountain sanitarium at Hot Springs, S. Dak., and more recently at the Veterans' hospital at Cheyenne.

He had benefitted by his hospitalization but returning home, his strength failed due to his insistence of caring for his patients. Mrs. Hassed is a trained nurse, and, assisting him in his practice, cared for the doctor almost constantly.

Aside from his wife, Dr. Hassed is survived by one daughter, Ruth of Cheyenne; a step-son, Richard Zipfel of Basin, Wyo., and a step-daughter, Barbara; his mother and step-father, Mr. and Mrs. John Coble, of Springview, Nebr. Dr. Hassed was born at Barabro, Wis., on July 2. 1884.

Funeral services were conducted from the chapel of the Peet mortuary in this city at 2:30 o'clock Wednesday afternoon, Reverend Lockwood, Episcopalian minister from Torrington officiating. Members of Derk J. Wielen Post No. 4, American Legion, of which Dr. Hassed was a long time member, attended the services in a body, and acted as an honorary escort for the funeral procession as it wended its way to the Lusk cemetery. FRANKIE DeCASTRO CHOSES AIR TRAINING TO MEDICAL SCHOOL; IS NOW ON COAST

Frankie DeCastro will not attend medical school this year, unless his present plans go awry. This was revealed in a telegraphic communication received by his father, Constable Frank W. DeCastro the latter part of last week. The wire came from Santa Barbara, Calif., with Frankie asking for his birth certificate—so that he might join the air corps.

The young man, who for the last two years attended Taft college at Taft, Calif., spent the summer vacation here with his parents. He left unday, Sept 8th for Lincoln, fully intending to enroll in the Nebraska state university. His folks even received a letter a few days later written from that city, but—the next thing they knew, Frankie was on the west coast.

Like many other young men of good physical standing, Frankie wants to get in on the "ground floor" of aviation—just in case—and he's willing to sacrifice his educational opportunity now and be ready to do his bit should there be need for his services. No later word has been received from him, but his parents have complied with his request on the birth certificate.

THREE LOCAL YOUTHS TAKEN TO LANDER TO ANSWER FOR THEFT

Acting on information given them by a filling station operator of Three Forks, near Lander, Fremont county peace officers, communicating with the local sheriff's office, requested the apprehension of three local youths, description of which lead to Tom and Dave Fagan and Don DeGroot, all of this city, who are said to have been involved in a theft at the filling station last week.

According to Deputy Sheriff Jack McFarlane, who with Deputy T. L. Cantwell, picked up the trio, the Fremont officers charge the boys with "strong-arming" the proprietor and rifling his till. Reports on this are conflicting, although the boys admitted they were in the Three Forks vicinity at the time. It was through the license number of the Fagan car and the description of the lads that directed the search to this locality.

Taken into custody Tuesday morning, the three were held in the county jail until that evening when Sheriff Clayton Danks and Deputy Sheriff Young arrived and took them to Lander. Their hearing in justice court at Lander is scheduled for next Monday.

J. Pettet, M.D., Is Called Tuesday at Age of 94

A life extending almost within five years of the century mark was ended Tuesday morning, September 24th, when Jonathan Pettet, father of Mrs. Neletta Howard of Manville, passed away quietly at her home at 11 o'clock. Mr. Pettet's passing was peaceful, and he merely slept over that borderline between life and death. He would have been 95 years old had he lived until October 31st. Death was perhaps quickened because of a stomach ailment with which he had been attacked during the past two months, his advanced age contributing to a lesser chance for recovery.

Although he had been quite ill with the stomach flu at times during his sickness, he was not bedridden until last Saturday. Prior to that time he was able to get around as usual and mingle with friends to some extent.

Dr. Pettet, although long retired from practice, was a physician in the earlier years of his life, practicing at both Cleveland and Chicago. It was at the latter place that he attained the peak of his career when he went into the manufacture of vaccine for smallpox. An epidemic in the early 90's besieged that part of the country, and many lives were saved when Dr. Pettet directed his efforts and most of his time to preparation of the serum. Prior to his entry in the vaccine manufacture, the shortage was so pronounced that many who were afflicted, were unable to obtain treatment, resulting in a heavy toll of lives.

Surviving are three sons, Paul, of Chicago, Ill.; Ormsby of Milwaukee, Wis.; and Zell, of Washington, D. C., and two daughters, Mrs. Josephine Burdett of Chicago, and Mrs. Howard of Manville, Wyo. Eight grandchildren and nine great grandchildren also survive.

Brief services were conducted from the chapel of the Peet Mortuary at 10:30 o'clock this (Thursday) morning, Rev. P. H. Evans, pastor of the Baptist church of this city, officiating. The remains, accompanied by Mrs. Howard, left by rail this afternoon for Chicago, where final rites will be conducted Saturday.

Dr. Pettet was a man of highest character, and was beloved by all who knew him. He had spent most of the past ten years between Manville and Chicago, but had been with Mr. and Mrs. Howard for the most of the past two years. The deceased had been twice married, his second wife passing away about twenty years ago.

Chief among the improvements was the lowering of the floor to sidewalk level, eliminating the necessity of customers stepping up two steps to get into the store. The front has been changed, also, and the entrance has been placed on the south side of the front. Over the sidewalk, the full length of the building front, hangs an attractive marque. Dear Ray:

I am well aware of your tremendous research efforts on the Howard Family. The more I ponder your relative, Mrs. Athla Tankersle's genealogical data, I think we relate through the Leach, Robinson. Sweets, Dunn's and other allied families of Illinois and Indiana. These families may relate to Eliakim Howard and [2] Margaret Truesdale. I connect through Alanson "Lant" Howard and Elizabeth Sweet. Eliakim and Alanson were sons of Sylvester Howard and wife Lyida Bosworth Sweet.

Sylvester and Alanson Howard were some of Illinois and Southeastern Nebraska's earliest Pioneer Families.

I quote from U.S. Treasury Department Claim Notification #179668, dated November 29, 1904, pertaining to Isaac Steele, as follows:

"In the case of Isaac Steele, private, Co. H, 3 Ind. Inf., and Pvt., Co. F, 70 Ind. Further, I quote from the Louisville?, Clay County, Illinois, September 11?, 1928 newspaper, as follows:

Anyway, I am wondering if you would send me a copy of your pedigree. I hope to meet with you, when I travel to Des Moines, to meet with my Aunt, Esther Simpson Rash, Pual's wife. I am not certain, if travel will be allowed, due to a February 3rd, 1995, heart attack, due to complications from-on-set diabetes. The only other relative we know about was my great-uncle, Gilbert L. Howard, who died at age 44. He was married to Fanny Hays, of Southeastern Nebraska, mainly around Tobias or Tecumseh.

Somewhere I have a Gemalile/Gemali? Wait genealogy, from ca. 1342 down to ca. 1854?. I stumbled onto the genealogy by accident while researching through LDS Films, in September or October 1998. This film belonged to someone else and I have no idea who it was or the film number. I am not certain if I can relocate it among my 80,000 papers. I never take notes, as I was forced, due to a learning disability to memorize my assignments, what the teachers spoke about, etc.. When I die and if my book is not published, all I know is lost forever. So I've being telling others "Dead Man tell no tales, so I am telling it all---NOW! Bottom line, I'll do what I can, to relocate data.

However, you are probably familar with the enclosed data. The genealogical chart more or less conforms with the 1854? publication. Note: Some of my Pettets/Pettits lived in Louisana or better known at that time as the Oakland Plantation. There is a connection here, but how, I am not certain how to put it all together.Source for Genealogical Chart: Wiatt, Alexander Lloyd. The Waitt Family of Virginia, p. 6. Please note the Welch connection "Anne Wiot a Welch Cousin". Further evidence of the Kent Connection, being my Immigrant Thomas Hayward/Howard-the aged and wife Susanna Downing, both left from Aylesford, Kent Co., England for Boston, Suffolk County, MA then Cambridge, Middlesex County, MA, where their first born son ---[not William as numerous researchers and books claim] Edward Howard married Hannah Esther Hawkins on 07 June 1661. Further some of my Howard's as were the Downings were missionaries when they were in CT and they migrated south. Maybe my side of the Pettits/Pettets who owned Oakland Plantation went as Missionaries.

MARY DUELL

At the same time among the 15 [UMI] microfiche volumes for genealogies [about 100,000 microfiche] , I stumbled onto a hand drawn genealogical chart for Mary Duell wife of James Toy father of James Dooling Toy and wife Lydia Eckert. I am kicking myself for being out of change and unable to photocopy. It went back 19 generations, from circa 1756. I think it was among the Draper or Livingston Family genealogies.

As mentioned, Mary Prime daughter of the Canadian Prime Minister gave Stoney Island, Ontario, Canada [now Jefferson Co., NY] to the Pettits/Pettets. Jonathan Pettet, M.D. and others all claimed the family migrated from Jamaica, Long Island, NY, to Boston, MA, to NH, back to Long Island and then the family went to Brownville, Jefferson Co., NY [Black River Country], then to Stoney Point and over to Coburg, Vernonville, Haldimand Twsp., Ontario, Canada and not by the known conventional crossing of the Saint Lawrence, at it's shallowest points. Neither did they go by way of Buffalo and around the point. Some of my allied Harriman's and Snow Families did. There was no need with the Pettets, Drapers, Primes, Meridiths, Gulliets and other allied families to go to Buffalo, they had boats and an island. Much of these facts, I learned as a child from my grandparents Harry Delos Howard and wife Neletta Elida Pettet. In fact, my great-grandfather Jonathan Pettet, M.D crossed

RE.LETTER TO 08 FEBRUARY 1994:

Dear Mr. Mason:

Thank-you for your letter of February 08, 1994.

Many people don't realize that the library at the University of Wyoming and the newly constructed American Hertiage Center with exceptionally rare books and manuscripts is fast becoming a world class depository for researchers and genealogist. From the collection on the second floor of the library, I found reference from an exceptionally reliable 19th century author, that Sir Francis Howard who married Jane Monson was indeed both Lt. Governor and Governor of Virginia from 1623 -1632. Now to relocate the 100 pages is the problem. Most of the records were transcribed from the Library of London for Sir Fracis Howard.

However, I am not ready to put my reputation on the line, not until I relocate the 100 pages that either prove or disprove what many other researchers are telling me. That there was indeed an earlier Sir Francis Howard who was both Governor and Lt. Governor of Virginia from 1623-1632.

Enclosed is a copy of the application and other information, I sent to THE HEREDITARY ORDER OF FIRST FAMILIES OF

2 of 2
1994

MASSACHUSETTS, as William born 1609, was the son of SIR FRANCIS HOWARD and his first wife, which is given in the 100 pages at U.W. at Laramie. I am sending this, as you requested more information on the direct-line of descent.

Mrs. Esther Rash, may be in contact with you, with additional verification, pertaining to the earlier Sr. Francis Howard.

Sir Arthur Burke's church records from St. Margaret Westminster, London, England, does strongly suggest that Sir Francis Howard and Jane Monson's 6th child Edward Howard born ca. 1627 and christened 28 Oct 1628, was also Lord Francis Edward Howard, Jr. when compared with Hotten's 28 Oct date on asterisk page 163. [Meaning that Governor Francis Howard 1687, is in error pertaining to parents and date of birth.] Corrections and/or additions should be: born to Sir Francis Howard, Sr. and 2nd wife Jane Monson born at Reigate, Surrey County, England born on 1627 christened 28 Oct 1628 at St. Margaret Westminster, London, England, Lord Governor of VA 1687?- 1689?. Wrong parents: Charles Howard and wives, wrong date of birth, not 1643 and wrong place of birth. At least when I publish my rough draft book A RESUME OF THE EFFINGHAM HOWARDS - SUBTITLED - TWENTY-TWO GENERATIONS AND BEYOND, I will indeed make this correction on this long standing, thougt to be correct lineage for Francis Howard.

Elizabeth Sweet's birthdate, as given on the Certified Death Certificate was 18 September 1817.

For now thank-you for your time and consideration on this matter.

Respectfully yours,

Marshall Sterling Howard

1-215-735-1915 START

GREETINGS:

Enclosed is a new worksheet, please note there are no double names for my Immigrant Edward Howard "A WEALTHY LONDON/HACKNEY MERCHANT".

Key to verification is: GENEALOGICAL GLEANINGS, by Water's, Volume I, page 272, WILLIAM TAYLOR OF HACKNEY! His step-son Daniel Taylor on page 273 mentions: "cousin Sarah Howard" and "cousin Matthew Howard".

The Medieval Department of Family History Library, Salt Lake City, Utah states that there is nothing further is known for EDWARD HOWARD -#15. My corrections and/or additions and/or both are given. Note: I base the double Stuart names, on my double Sweet family marriages.

Leonard Rice Howard, M.D., the late Mrs. Edna May Howard DeCastro -aunt, the late Alice Pielstick- my aunt, Maud Enslow Dunn and others all agreed that our line of descent came through SIR EDMUND HOWARD, KNIGHT and wife Joyce Culpepper, but none could determine how.

From a photo taken by Mrs. Pielstick of a painting of Queen Cathrine Howard, in England and comparing the photo with a photo of my Aunt Edna, at or near the same age, both were identical.

I understand that I only need to prove myself back to the immigrant, is this correct? I will remove the probably data in generation 15, as I understand that you want unknowns left blank, is this correct? I will submit verification upon receipt of new worksheet and application. I will also, send with these payment for life membership.

Please advise if you agree with my 14 year search. I am running out of file cabinets and need to discard the lines that we have disproven, first I must prove my lineage to one of the Sureties.

Thank-you for your time and consideration on this matter.

The collection was filmed in 1950.

Film #0599236, is about the families of WILLIAM HOWARD born 1609 and who Immigrated to Massachusetts in 1635. Edward Howard and Hannah Hawkins were included, but the connection was not made until I located Suffolk County Superior Court Docket 393, which gives; "Samuel Howard, William Goodwin, and Thomas Hawkins, 1659...!

The question remains if Edward Howard and his seven sons relate to us or to another Howard Clan? If Edward is Samuel, the will would be another "Delayed Entry" Will and/or Probated record. Or Edward is the son of Matthew Howard and wife Mary Case.

Dear Sir:

Enclosed is a my corrected lineage, please note there are no double names for my Immigrant Edward Howard who was "A WEALTHY LONDON/HACKNEY MERCHANT". I think my Edward Howard is the same Edward Howard, whom the Maryland Hall of Records, claims his file is missing. I should have read my Horoscope, please see end of letter, Thanks.! Please note the underlined comments/notes.

William Taylor's Will found in Water's Genealogical Gleanings, Volume I, page 272, clearly states HACKNEY. Found Edward Horwood, son of Edward, born 2 Feb 1640 in W. Hackney. Source: A REGISTRAR OF THE SCHOLARS ADMITTED INTO MERCHANT TAYLOR'S SCHOOL, From A.D. 1562 to 1874, by Rev. Charles J. Robinson, M.A., Rector of West Hackney, Volume 1., page 215. Also, given were William Tailor son of Richard and Samuel Adams son of Samuel. Samuel maybe is Dr. Robert T. Adams line.

Generations 16 and 17, I found in the St. Margaret Westminster Parish records. I found number 15 among the Medieval Section of the LDS Family History Department, computer files. The Medieval files, states that EDWARD HOWARD, #15, that nothing further is known. My corrections and/or additions and/or both are given. Note: I base the double Stuart names on my double Sweet family marriages. Margaret Stuart daughter of John, likewise from the Family History Department, Computer Files. Computer files says Margaret died in 1600, I doubt it. Instead she died most likely 1614/1615 and certainly before the christening of her son Edward, who was christend at St. Margaret Westminster, London on April 18, 1616. I think she died while giving birth to son Edward.

Of interest, Leonard Rice Howard, M.D., the late Mrs. Edna May Howard DeCastro - my aunt, the late Alice Pielstick- my aunt, Maud Enslow Dunn and others all agreed that our Howard line of descent came through SIR EDMUND HOWARD, KNIGHT and wife Joyce Culpepper, but none could determine how. What has prevented me from a serious review is the belief we did not have any Arundel's in our lineage. However, a recent LDS film gives nearly every family in England and there was no escaping the Arundels, they married into every family.

From a photo taken by Mrs. Pielstick of a painting of Queen Catherine Howard, in England and comparing a photo of my aunt Edna at or near the same age, both were identical.

I understand that I only need to prove myself back to the immigrant, is this correct? I will remove the probably data in generation 15, as I understand that you want unknowns left blank, is this correct?

I will submit verification upon receipt of a new worksheet and application. I will also, send with these payment for life membership. What are fees, annual and life?

Please advise if you agree with my 14 year search. I am running out of file cabinets and need to discard the lines that we have disproven. First I must prove my lineage to one of the Sureties.

Thank-you for your time and consideration on this matter.

Respectfully yours,

Marshall Sterling Howard

[201] The Howards claim a most illustrious lineage. The family in England holds first place in the English peerage, and its head, the Duke of Norfolk, is the first of the Dukes and hereditary Earl Marshal of the kingdom. The house descends in the male line from William Howard, "a learned and reverend judge," of the reign Edward I., from the beginning of its history has been allied with the most illustrious names of the houses founded after the Norman Conquest. The New England family of the name descends from one of the younger branches of the ancient house, and has ranked among the foremost of American families since the middle of the seventeenth century.

Captain Benjamin Beal Howard, father of the late Francis E. Howard, was a noted captain of whaling vessels, and figured prominently in the industry in New Bedford when it was at its height.

Dear Family:

I will not be satisfied with our Howard Family Research, not until I can answer and prove beyond any reason of doubt, how we descend from Lord Edmund Howard and Joyce Culpepper? How do we relate to Quaker Mary [Howard] Dwyer? How do the Howards and Stuart Families relate?

I believe, Matthew Howard of Leeds County, Ontario Canada, left us a vital clue on the real origin of our English Heritage. There were Mortimers of Leeds/Leads, England.

Enclosed are the answers and please follow close attention to footnotes, for more important genealogical information.

Take Care,

Northumberland, on Oct. 8, 1515. Because of of her nearness to to the English crown, Lady Margaret Douglas was brought up chiefly at the English court in close association with the Princess Mary, who remained her fast friend throughout life. She was high in Henry VIII's favor, but was twice disgraced; first with an attachment to Lord Thomas Howard, who died in the Tower in 1537, and again 1541 for a similar affair with Sir Charles Howard. brother of Queen Catherine Howard. In 1544 she married a Scottish exile, Matthew Stuart, 4th earl of Lennox (1516-7). who was regent of Scotland in 1570-1571....."! NOTE: Ethel Richardson's two volume series, THE LION AND THE ROSE, published 1926, volume 1, claims two of Edmund and Joyce's sons were committed, but no mention of their names were ever found, not until the above quoted article. At least one was Charles. Apparently King Henry VIII silenced them out of fear for the death of their sister, Queen Catherine Howard.

Marshall Sterling Howard
Wyssar-Genealogist
O. Box 35
Lingle, Wyo. 82223

Dear Marshall:

Greetings from the Hoosier State!

Last night I was in the Fort Wayne Family History Center, and took a stab at looking up my Howard Roots, and, thanks to you, was very successful!

You see, last year I statted working on my family history, and was given a notebook by my father's sister, Ruth (DEBOLT) MAGNUSON, which contained quite a bit of genealogical information.

Much of the info was handwritten by Eva Mina (EMERICK) DEBOLT, my great-grandmother. Eva listed about 4 generations of EMERICKs before her, with some other names (EMERICK) even before that.

There is also in this notebook, a full typewritten page (by Eva, I presume) of HOWARD GENEALOGY.

No one knew where the HOWARDs tied into the family, although the logical guess was they were either the family of Eva's mother, or of her father's (Eva's father's) mother.

When brought up the Howard Names in the ancestral file last night, I remembered one name fairly easily (I didn't have my notes with me- because I hadn't planned on being there).

The name I am referring to was Zephaniah HOWARD. I also remebered Sylvester.

You see, the info I have has two complete family groups, each with about a dozen children per family, complete with ~~brth~~ birth dates.

The first family lists Zephaniah as the father, his wife, all their children, and birth dates. In this group, Sylvester's name is underlined.

The second group is of Sylvester and his wife and children, with dates of birth, and e Catherine underlined (obviously to indicate Eva's line of descent).

That is where it ends.

When I found the info you had put in, I went back from Zephaniah (forward in time toward the present), and found Sylvester. Perhaps it was then I remembered Sylvesters' name, as I definitely recognized it.

And then, when I saw a location on someone as Morgan County, Illinois, I knew I had found something, almost for sure, becaude Eva was born in Prentice, Morgan County, Ill., on 12 Oct 1873. Her parents were James Thomas EMERICK and Ida(HYMES) EMERICK.

I think that Ida HYMES' mother was probably the granddaughter of Catherine HOWARD, daughter of Sylvester HOWARD.

The dates I have, and names all matched very closely, with a few differences, but the names all matched.

And so, there is little doubt (none really), that this is my line.

I see that Catherine married someone named SMITH (your info). This miss SMITH, it is my guess, married Mr. HYMES, father of Ida HYMES. Ida was born in 1856, and her husband, J.T. EMERICK, in 1849. J.T.'s father was Andrew Milton EMERICK, born 31 May 1821 in Butler County, Ohio, married Martha West.

I think that Andrew and Martha are buried in Morgan Co. Andrews' father was John Jacob EMERICK, who died 8 Mar 1864, in Morgan County. (He was born in Pa. in 1783).

Well, how exactly are you descended from Sylvester HOWARD, cousin? (It sure is nice to say that, as it is very nice to find a "new" cousin!)

Well, Sylvester , I think, was my 5gr-grandfather, and then of course, if he was also your 5gr, then we are sixth cousins!

By the way, Eva Mina EMERICK married Edward Ellsworth DEBOLT, of Woodford County, Ill., I think on 24 Dec 1892, place unknown. Edward was born 22 Feb 1868, died 27 Apr 1947. Eva ed 2 Jun 1929.

Their first child, Lloyd Ellsworth DEBOLT Sr., was my fahter's father. My father is L.E. DEBOLT Jr. Grandpa was born 30 Sep 1893, dad; 25 Oct 1923; and I was born 21 May 1958.

If you wouldn't mind, Marshall, I would be interested in your sources, and would be glad to send you what I have.

Well, thanks again for having submitted all that great info! It sure was a joy to find! Until next time, I am your grateful cousin,

Steve

Fran,

Thank-you for your kind words, pertaining to my professionalism. Without family, like yourself, my skills would not be possible.

I appreciate the Wooley challenge. However, it is probably much wiser for me to locate the sources and channel them to you, Mr. Hutchinson and other Wooleys, as you know yourselves, better then I am able to comprehend. Comprehension based on in-depth one-to-one visits, hours quietly observing and studying your own and other Wooley and allied families from behind the scenes, such as family reunions, birthdays, weddings, marriages, graduations, illness, death, divorce and new life from birth of new members, etc..

Please provide me your Michigan and Missouri? addresses. I have several tickets that must be used by December 31, 1997.

I have not received a reply from Mr. Hutchinson, but family in Atlanta, did locate his phone number. I called and he could have just as easily spoken to me, instead of giving me a brush off------THIS IS WHY, I AM NOT INTERESTED IN OFFERING ANY HELP TO MR. HUTCHINSON, UNLESS HIS LETTER IS MORE HOSPITABLE"Old Style Southern Hospitality"! It was, like Jesus, knocking at the door and rudely being turned away! Illness or no illness, I don't take kindly to being brushed off. Money does not grow on trees to waste on rude people.

You can be certain, I won't pursue the research, unless, You really want me to. I was planning on visiting my maternal Aunt in Little Silver, Monmouth County, New Jersey, solely to locate all the records, plus take photos of the tombstones, and much more! I would have gladly scanned the documents and photos onto computer disks and CD'S, for Apple, IBM and compatible computers. This would have saved mega-bucks in publishing cost.

Currently, I am rethinking my travel options and how I can help other families in need of solutions to their long-standing problems.

Pertaining to the cemetery along McLean and the other Illinois County: every cemetery in Illinois and who's buried in them, should be on file with the Illinois Secretary of State and NSDAR, Washington, D.C.. Also, the Illinois DAR Registrar or Secretary should be able to help you. Another possibility is the Daughters of Descendents of Union Veterans of the Grand Republic Army/Civil War. All you need to do is consult FLSDAR member or call NSDAR headquarters in D.C..

I hope and pray that the Dunn? ham family member and curator of the Fort are still alive. It would be exciting reading about the birth of my grandfather Harry Delos Howard. Also, a death certificate for Philip N. Howard. Question: What did Philip N. Howard die of? Was it diabetes? Diabetes killed his brother Gilbert L. Howard.

Please stay in touch. Did you receive Gil's E Mail?

Dear Paul, Terri and Ken,

I asked my niece to convey an Email for copies of vital records. I have reviewed various University of Michigan microfiche, that suggest Whigtman was one of the spellings for Whitman and the spelling may be Welch. My Pettet's were French Irish and, after the American Revolution, Canadian French. Source: Rev. William Buckley and Christian? Mellows back to the Sureties of the Magna Charta. Immigrant Thomas Pettit/Pettet. Through them I pick up the remaining Sureties or all who had living descendents.

There may be a way to get copies of the Wait Family Bible, without ever leaving our relative's possession. I am a former Audio Visual Technician, Laramie County Library Systems and Microfilm Technician and Recorder for the Homestead Museum. My later purpose was to microfilm all the homestead deeds, about 13 large ledger size volumes, then record and index them on 3 X 5 index cards. Since I have a trained eye for detail in this and my former clock repair days, I most likely could use a lightweight video recorder, with automatic zoom lens, on a tripod and record word for word the Wait Family Bible.

Certification in becoming an American Certified Lineage Specialist requires that an applicant have a 4 year college degree, which was waived by one of the board's ranking members, who tutored me in verifying my Howards, from James William Howard back to the Immigrant. I turned down taking the offer, until such time as, I could prove my theory on the Howards, as an Extinct "Blood Royal Peerage". Better known as the Great Bookham, Surrey, Effingham,Clan..

Now that I have proven it, there are just a few more genealogical endeavors I wish to complete. One is to prove every possible connection to the NSSAR, so far 11 proved, with 13 ready to go and possibly 29 remaining--------about right for 640 allied lines. The Howards became my pet project; the rest were my paternal cousin Trella May Hall's task. Her 18.5 feet bookshelf feet of research is on file at: N.E.H.&G.R., 101 Newbury, Boston, MA. Her research is legally documented from 750 A.D. down to [1985]. All the lines, and all the siblings-the WORKS! Everything is done correctly!

TRELLA MAY (ELBERT) HALL did extensive research on the WOOLEY, SWEET, HOWARD, TOY and many other families who were connected by marriage. She was born in 1910 and died in 1985. Fun! somehow

I went into secured Museum of London, Library computer files and obtained 25 hours of documents – 2½ days worth. If I had a disk drive 6 hours to download all main frame data and who knows what I might have learned.

Dear Mr. Howard:

The enclosed information about The Hereditary Order of The First Families of Massachusetts is sent in response to your request. It is pleasant indeed to know of your interest.

William Howard was born in England in 1609, came to Braintree, Mass. in 1635, later removing to Salem. He is a qualifying ancestor under our rules.

The enclosed preliminary application is the first step toward membership in The Order, however, as you have already provided the information, all that is required is to fill it out for our records. I also enclose the regular application, together with directions. I look forward to hearing from you again. I will retain the papers you sent for inclusion with your application.

Sincerely,

THE COMMITTEE ON ADMISSIONS
Office of the Chairman
253 Tremont Street
Melrose, MA 02176-1835

TO INTERESTED PEOPLE:

In response to your request, a pamphlet is enclosed which gives the background of The Hereditary Order of The First Families of Massachusetts, its objects and the requirements for membership.

If you believe that you can meet these requirements, fill out the enclosed preliminary application and return it to the address above, using the return envelope. Please note, especially, that your earliest ancestors must have been residents of THE MASSACHUSETTS BAY COLONY previous to 1650. If, instead, they settled at New Plymouth, they are not qualifying ancestors in this Order.

Our procedure is that when this preliminary application is returned to us, The Committee on Admissions reviews it and, if approved, an application for membership is mailed to you. When this second form is completed, it is to be sent to the committee, together with the membership fee of $65.00, which includes the first annual dues. Life membership is also available.

Once the Genealogist of the Order has examined your application and reported favorably, you will then be elected to membership and will be notified promptly.

RE. 03 FEBRUARY 1994 LETTER:

Dear Doctor Atwood:

Thank-you for your letter and applications. I have filled out both and I have, also, enclosed, my payment. How much is a life time fee?

I goofed with the month. I should have put the complete month, instead of the style that American Certified Lineage Specialists require.

If you and the Committee want me to fill out another application, I'll be most happy to. I am a person who usually needs two extra applications, interruptions; and typing fast on a daisy wheel typewriter often does not catch all the letters.

I anxiously await your reply on your and the committee's favorable decision.

Thank-you for your time and consideration on this matter.

Respectfully yours,

However, this would mean date of birth for William Howard could be 1705/1706 and birth for Mary Parker could change to 1707 or 1708. Bottom line is I doubt William's contribution to the American Revolution, as I have not heard or verified anyone 68 or 69 years old fighting. Dear Fran,

I am amazed at the depth of new information you recovered, copied and sent me in your June 17, 1994 letter, thank-you!

I am in the process of correcting the mistakes found at Newburg/Newbury Library. My father did not die in 1917, instead March 20, 1992.

On February 6, 1994, I submitted an application to THE HEREDITARY ORDER OF FIRST FAMILIES OF MASSACHUSETTS, pertaining to William Howard who married Margaret Stuart of Stuart Castle, their son Samuel [Edward] Howard who married Hannah Esther Hawkins, their son Matthew Howard who married Mary Case and so forth. On June 24, 1994, I received from Roswell Levi Atwood, that my application and verification was accepted and approved by the Genealogist of the Hereditary Order on the previous day, or June 23, 1994. In other words, we are one step away from the Barons and Dames of Runneymead.

I am now working on the research, verification and writing of Hannah Howland and Jonathan Bosworth, Jr. or Volume 6 of THE PILGRIM JOHN HOWLAND series. I volunteered since Mrs. Elizabeth P. White is in need of help. She is working on volume 3. Mary Bosworth Clarke, has done a lot of the work, but I have found mistakes, in Mary's 1926 publication. Once I verify her findings with new primary sources, than I will proceed with G.S.M.S. applications for all accepted claims to Hannah Howland and Jonathan Bosworth, Jr. and proceed to prove each family with children and so forth. I believe you understand the process, I get confused explaining it.

If near Brockville, Ontario, Canada, you ought to dig through the Microfilmed newspapers, after review of the index for our William Howard. Quite a lot on very verifiable lineage is somewhere in the papers, from 1907 -1927.

Take care,
Marshall

When I locate Trelb's letter about Brockville, I'll send you a copy!

I purchased a high density floppy drive that will work on my Apple Mac Plus. Doug so I now can use IBM Microsoft, Dos and so forth. Incredible bargin, 5 year warranty and more for $30.00 (new) plus $5.00 for shipping.

15 October 1994

Dear Family:

September 27, 1994, I wrote a letter to the newest member of our family, by way of the Case and Allied families of Little Compton. Our newest member is Mrs. Francis Knox, 777 S. 400 East, St. George, Utah, 84770, LDS AFS #91-105206. Susannah Case married John Lake.

The allied name of Knox set off a host of alarm bells, saying I had investigated the line of the wrong child of Lord William Howard and wife Margaret Gamage. Instead of child number 3, we should now fully concentrate our efforts on child number 15, their last child or son Richard Howard born at Lambeth, Surrey County, England on abt. 1564.

Please keep in mind that all the last names of the direct-line Howard grandmothers were known and one was Lady Margaret Stuart and too, the allied name of Knox. I think John Knox died after 1590 and certainly before 1602 and that our grandfather Richard Howard married widow Margaret Stuart Knox. LDS records tend to suggest John Knox [born 1564] married first Lady Margaret Stuart [born 1564] and had daughter Elizabeth Knox born 1590. One of Richard Howard and Margaret Stuart Knock's son was Richard William Howard born 1609 in London.

From the filmed version of The American Genealogist, volumes 19?-28?, I quote the following information: Note: The film was split down the middle, making it almost impossible to determine the volume, let alone read the contents.

"EDMUND HAYWARD, of [?] Parish of Ratchdale, Lancaster County [Great Britian]: Whereas John Howard als Hayward als Haworth, lately deceased of Virginia between Aquire Creek and Chapewansick Creek in Pottomack River (who was brother to sd Edmund Hayward's grandfather, Richard Hayward, late of Blakely in the Parish of Manchester in the sd county of Lancaster, Yeoman, dec'd) being lawfuly Seized .... of certain lands .... in Virginia between two severall Creeks did by will settle the lands upon his son John, which reversion to his daughter and then to brothers Richard and Thomas Hayward late of Blakely Clothmaker dec'd, and whereas both son and daughter dec'd without issue and Richard leaving issue only Edmund Hayward, his son, father to Edmund party to these presents, who being also dec'd, leaving issue only the sd Edmund party hereto heir to the sd lands &c., late of John Howard as also heir to Richard the grandfather, and to Thomas brother to Richard .... Edmund now recites and revokes previous power and constitutes Charles Burges of Rappahannock, Virginia] his attorney. Lancaster cty, Va., Recorded about 1730, p. 1730, p. 180 vol. 1727-1736. [The foregoing is interesting not only for the family details, and the location of the English home, but also for the interesting variations in the name.]" Address & Fax: William R. Chamberlain, Genealogical Librarian, Archives Division, Virginia State Library, Eleventh and Capitol Street, Richmond, VA 23219-3491. FAX #: 1-804-786-5855.

From The Complete Book of Emmigrants 1607-1660, by Wilson Coldhame, page 162, we find that the second person listed is Richard Haieward aged 33, who left London for Virginia in 1635, PRO: E 157/20. Coldham's source was: "Public Record Office, Most references are to documents held at the Pro Chancery Lane, London, WC2A 1LR, England; those references with CO prefix are held at PRO Kew, Richmond, Surrey TW9 4DU, England."

Another source: History and Genealogy of the Mayflower Planters and First Comers to Ye Olde Colonie, Vol. I, by Leon Clark Hills, page 87, number 16 is listed Richard Howard, who left on the Mayflower

1629 from Gravesend, London, England March 1629 and arrived at Plymouth on May 15, 1629-------on his way to Virginia.

Further evidence is that one grandfather died in England. Richard could be this grandfather and maybe he was a wealthy merchant.

The non-primary sources or the pre-1920 writings are:

I.Cutler, William Richard. NEW ENGLAND FAMILIES GENEALOGICAL AND MEMORIAL. Lewis Historical Publishing Company, NY. 1914. [V. III, 1447].

A.Summary of page 1447, now suggests to me that Cutler is writing about Immigrant Robert Edward Howard's [Notary Public] second wife Martha Row-----not first wife Esther/Hannah Hawkins. Cutler gives Robert's date of death as 29 Jan 1684, "bequeathing to Jonathan and other children...".

i. Suffolk Superior Court Docket 3625 dated 10 Dec 1697, gives Hannah/Esther Hawkins with remarried name of Collar and her age is given as 56--her birth day was 20 Jan 1640.

a.Subtracting his John's age from 1643, one should arrived with a birth date of 1628.

b. Burke, Sir Arthur. St. Margaret Westminster Parish records, p.127 state Edward was baptized on October 28, 1628. Footnote lineage as follows: Sir Francis Howard and wife Jane Monson, g.s. of William Howard, g.g.s. William Howard and g.g.g.son Lord William Howard.

c. Private letters from Trella May Hall, advises that in Brennan & Statham's genealogical chart II, the lineage is given differently. "Lord William Howard, Sir William Howard, Sir Francis Howard m. Jane Monson, etc.".

ii Docket gives son Matthew Howard and mention of a certain house and land in Boston, belonging to him.

a.Children certainly were Martha Row's.

II. Cutler, William Richard, GENEALOGICAL AND PERSONAL MEMOIRS, LEWIS HISTORICAL PUBLISHING COMPANY, NEW YORK. 1910. [III, 1573, 1574].

  - a. Town Clerk of Little Compton once sent me, I think Heman/Herman Howard's genealogy and gave George Howard. I never made the connection.
  - b.Trella, warned other's had researched and/or published our lineage and they were dead wrong. In view George is wrong---but adds another first name to possibly Sir Richard Francis Howard-Effingham.
- iii.Harwood, Henry, notice of, 328.

Effingham and Governor of Virginia. Ceremonies happened in Dutchess/Duchess County, New York.
c. Mrs. Bennington, author of GRANDPARENTS ARE GREAT, in our lengthy telephone conversations informed me that Edward was Edward Darcy. There is no Arundel family connection. We descended from Blood Royal [Duke Descent] Norfolk Lineage. Source: Lengthy conversation with Trella. Also, one great-grandmother was Margaret Stuart and all the last names of the grandmothers were known.
d. My in-depth review of the Arundel Clan left me with a final conclusion no family in England escaped marriage into the Arundel Clan.

Since September 1994 I've been working on my fifth NSSAR supplemental claim. Recently. While researching my paternal Long Island Pettit/Pettet family I discovered that our common great grandfather William Howard was the owner of a Half-Way House in Flatlands. He had sworn the association oath and helped General Clinton and his Aide Escape. General Clinton asked William if he swore to the association, in the presence of other Britishes Officers while a large British Army was camped outside. However, Clinton and Aide were dressed in British Uniforms or Capes and Hats, passing off as British Officers.. Information located in HISTORY OF THE Society Sons of the American Revolution, [Heros of LONG ISLAND, DURING THE AMERICAN REVOLUTION, published 1899], on LDS film.

If William passes NSSAR, I'll proceed with applications to Founders and Patriots. From F & P I'll proceed with the Baronial Order of the Magna Charta.

Of interest, Sylvester Howard served in the War of 1812. His name is spelled Silvester Howard.

As you see, it is a continual mine-field of wits and sheer determination to arrive from point A of the genealogical mine field and arrive correctly to point B or England, with out self destructing or being blown out of the process with the wrong lineage or theory. Every step forward is like proving a Ph.D. thesis, no messing up or always back to square one, until proven beyond question.

Unshakeable evidence is the rule, not the exception. I hope everyone who has shared in the process will now have new ideas and or suggestions or both. Input is always appreciated and quite helpful. It would help if we could find the homestead in Old Little Compton. About 5 miles north of todays Little Compton and 2 miles east and about 100 yards north, from the graveled road---in the marsh land, once cleared for farming.

Conclusion thus far:

Immigrated 1643-aged 15 years old-correction date for Nuttall's LDS Family Group Sheet. She gave 1634---no way!]

Immigrant Col. Edward/Edmund Howard, Justice of the Peace [alias names used Robert John Samuel - Notary Public, Inn and Tavern Keeper baptized 28 Oct 1628 at St. Margaret Westminster, London, Middlesex County, England [died on 1718?at West Braintree Parish, Plymouth Co., MA] married 07 June 1662 at Cambridge, Middlesex County, Massachusetts married to 2ndly Esther/Hannah Hawkins born 20 Jan 1640 at Boston, Suffolk County, Massachusetts died aft. 10 Dec 1697 died at in the Boston, Suffolk County, MA region under the DIVORCED AND REMARRIED NAME OF COLLAR. Divorce took place aft. 15 Mar 1662 and cert. bef. 1666, Divorced again on 29 Jan 1684 to third wife Martha Row---using both Robert and Edward. 29 Jan 1684 is given as date of Death for Robert/Edward. Don't think so, instead "Delayed Entry Will" to cover the public outcry of a 2nd or 3rd Divorce.

By wife Esther/Hannah Hawkins our Immigrant had Matthew Howard born 15 Mar 1662 at Cambridge, Middlesex County, Massachusetts.

Our Howard's were Catholic when they came over. The common practice of non Colony Divorce was to use a different first name and different non-Catholic church to remarry and sometimes faking one's death, with such tools, as a "Delayed Entry Will".

What needs to be done, is a Smithsonian Archaeological DNA analysis of the remains Sir Francis Howard, wives [1] Margaret Stuart and [2] Jane Monson, compared with my DNA. Along with Immigrant John Howard's.

and Judges treat me respectfully. Their colleagues still keep asking, if I have them in mind for the Gold? Those who receive the medals and certificates received pay raises and promotions.

If you wish to know more, for your Sweet Family Book, I continue to rely on my Mother's perspective and insight. In fact, I would be delighted if some time both of you could visit. When with my attorney's I appreciate her at my side, as I trust her insight and judgement, no matter how personal the questions and answers are. After all, she helped conceive and raise me. The sort of relationship and bonding, that my sons had with parents. The sort of bonding I hope Dan will now feel he has with me.

into Cleveland by boat. And the times he returned to Canada, always by boat from Cleveland.

The Prime Family gave the Pettets/Pettits and Allied Family Stoney Island. There was not any need to take the Buffalo route; we did not have to wait for land grants. Besides, the Pettets had boats to get them back and forth.

Another fact, my grandmother Neletta and my father told me: there was Welch and Irish on his mother's side, but neither knew how the connections came about. After 43 years of pondering my grandmother's and father's first clue about our nationalities, I think the Virginia Waits/Wiots, ect., and the 1854 publication? clearly opens my eyes to the migration pattern.

Aylesford, Kent Co., England was a port. Seeing as you, Paul, mentioned one of the Waits being involved with King Charle's I execution, it seems the smuggling or underground network to get our Wait out first started in Wales, moved down to Aylesford or another Kent port, out to Virginia and then Boston and finally to Rhode Island. I base the pattern of escape migration on my 11th great-grandfather Richard Theophilus Whaley, [one of the 3 Judges of King Charles I], his escape to avoid the Kings Assassins except thathe went to Virginia first then to Nob? Hill, Rhode Island, where died at 103.

Some of Moses Pettet's, ancestor went the shallow St. Lawerence route, into Quebec. The problem is about 100 miles difference between my Pettets/Pettits, Guillets, Waits, Harrimans, Snows, Drapers, etc.. Moses was in Bloomingdale, NY and mine may have been deffenders of Sacket Harbor, during the American Revolution.

Please remember, The Big Boys and Ladies dislike any books published prior to 1920, they regard them as unreliable hearsay.

Again, Paul and Terri, thanks for calling and responding to the Email. It is vital to do it right or not at all, as my father use to tell me. Please note, I copyrighted my research, not for my personal gain, but for the benefit of our successors, like the Pilgrim John Howland Society, which I am a life member.

Respectfully yours,

Marshall S. Howard

from Northern Bristol County, Registrar of Deeds, Taunton and others located in the LDS Microfilmed collections, from Salt Lake City, Utah.

Of great importance are the names found in births by wife Sarah Mitchell. First marriage lineage, allied family members, Robert T. Adams, Ph.D. and Leonard Rice Howard, M.D., both have Benjamin Howards in their lineages. Benjamin Howard was Ed and Sarah's 8th Child.

I suspect Sarah's and Ed's third child was either Matthew or William Howard.

According to Maud Enslow Dunn, our family did not use the name Howard, until the early 1700. William Howard, son of Matthew and Mary, was the first to switch from Hayward to Howard. However, I am not convinced, as Ed was using Howard. I suspect children by second marriage realized their true last name spelling was always Howard. Some of Maud Enslow Dunn's research may still be on file with G.S.M.S., most, if not all was lost in the Mayflower Fire. She was one of my late father's great-Aunt's.

The evidence seems overwhelming in favor of my conclusion. However, you may have other evidence that would cause me to rethink my conclusion. Therefore, I wish to discover what you make of my enclosed evidence. Should you agree, I will proceed to publish my prsent rough draft non-published copyrighted book A RESUME OF THE EFFINGHAM HOWARDS - subtitled TWENTY-TWO GENERATIONS AND BEYOND.

Do take care.

SYLVESTER HOWARD

Died February 18th, 1858.
Aged 85 years, 7 months and 27 days

He was born in the town of Pawling, Duchess County, N Y. He married Lydia Sweet, December 13th,1855. In the year 1809, he removed to Cazanovia, Madison County, N. Y.. In 1826, he removed again to Morgan County, Ill., where he remained until his death.

Father Howard with his wife; united with the Diamond Grove Baptist Church, of which he constituted one of its brightest lights. They had 7 sons and 6 daughters; two died in infancy, one in her 7th year, and one after maturity. He was mild and placid in temperament, an affectionate husband and devoted father. He encouraged all the benevolent movements of the age and was loved by all that knew him. He had a presentment of his dissolution. One week before he died, he dreamed he met a host of brethren who pressed upon him so fast that it was impossible to greet them all with his hand; among whom was his wife. The night before he retired, he sang a hymn, which was very unusual.

His last sickness was very short, being only about 24 hours. When he was taken ill, he said to his friends, "I am sick unto death." Truly he was ripe for Heaven, and the Lord took him home. His funeral was preached by Geo. W. Pendelton, pastor of the Baptist Church, in Jacksonville; after which his remains were deposited by the side of his wife, there to rest quitely until the morning of the resurrection. Blessed are the dead that die in the Lord--from henceforth, yea saith the spirt, they rest from their labors and their works do follow them. "Asleep in Jesus."

Dear Fran:

From the Suffolk Superior Court Deeds, I located within the last 3 years, especially Document 359, dated 1659, for the first time the real name of our grandfather was given, being Samuel, along with his father-in-law Thomas Hawkins and William Goodwin. Next I discovered Documents 3624 and 3625 which confirm one another and 3625 gives son Matthew [Edward] Howard and mother Hannah Collar/Coller - "Aged 56, December 1697, given certain land and house in Boston....".

These three deeds indicated a Divorce happened after 15 Mar 1662 and certainly before 1697. Evidence in support of the divorce theory was the alias names given on Marriage Certificate for Edward Howard and Esther/Hannah Hawkins [07 Jun 1661 at Cambridge, Middlesex Co., MA] and Birth Certificate for son Matthew. Double name implies either Samuel or Edward is the Catholic Christening name. Upon further examination in "LETTERS OF WILLIAM FITZHUGH", we find that Samuel Hayward/Howard, son of Nicholas Hayward/Howard, Senior left in 1665 and was in Virginia in 1665 and married 1675 Martha Washington, sister of Immigrant John and Lawrence Washington. I also found Samuel's date and place of death, being his estate of Eagle Nest, Stafford Co, Virginia.. Died at Eagle Nest [his estate] near Beford, Stafford Co., Virginia died on 3 Dec 1684/85 will proved 11 Nov 1696. After all Savage asked about our Edward, "And where did he go?".

Even in the papers by Fitzhugh, one footnote states, "Edward Hayward is presumed to be the son of Nicholas, Sr.......", however reading over the letter to Edward Hayward, the contents pertains to purchase of various books. In the will of Samuel, are mentioned his books and what he wanted done with them. These legal facts and Document 359 says to me we are talking about a father-son connection. I have always thought that our 8th grandfather was in Cambridge to obtain a higher education. From the registries office at Harvard, I can rule out that Edward never attended. I did not inquire about a Samuel, although it seems the Register mentioned a Samuel. I am in the process of obtaining any records for Samuel.

Further evidence to back up the Washington connection is found in the rare books section of the University of Virginia at Charlottesville. Call number BS185 1801 P85, THE HOLY BIBLE, for Mathew Carey, no. 118 Market Street, Philadelphia, PA, 1801, allied family names and genealogies given: "Pomroy, Alsop, Dabney, Hayward, Johnson, Storer, Norton, Worthington, Horton, Irwin". Note Mary Queen of Scots was one of the Direct-Line Howard grandmother's and Carey certainly fits. Are the

So forget it!
ii.Marshall's argument with Trella's 29 Nov 1982 comments for Daniel Taylor's will was, she had the will made 20 to 30 years earlier---exact date of departure from London, England. I had another exact copy of the first "Delayed Entry", made 20 to 30 years---exact date of death at his sister's home in Maryland, on his way back to Virginia, from Rhode Island.
iii. Summation i and ii nearly caused the end of Trella's and my long time friendship. Especially since I stood on the "Delayed Entry" concept and went ahead and put this idea in my rough draft copyrighted text:

Reynolds in a letter to the Ed of the Brockville, (Ontario, Can.) newspaper, "About Dr. Leonora (Howard) King dau. of Peter Tilton Howard and g. dau. of Dr. Peter Howard both of whom were legitimate successors of the Baronetcy held by her great grandfather, which in America they never tried to establish, although Sir John Colborne in a letter to her father expressed the wish that he would negotiate the claim." Len goes on to say "The search was done by Dr. Clarence Howard and the records put into a library associated with the Queens Universatty in Kingston, Ont. which was destroyed by fire. Dr. Clarence Howard had 2 daughters who were not interested in gen. and when their father died they threw his records away."

From Dr. Lenords Howards' chart Dr. Leonora (Howard) Kings g.g. father was Matthew Howard b.1740 son of Wm. Howard & his 2nd wife Mary Tallman."

Maybe these clues would help you with your efforts to join the Baronial Order of the Magna Carter if all descendants of the 1st Baron's would be Baron's or Baronessés. Were they? If so see Genealogical Table II from The House of Howards - If you made copy of it - if not and available there get copy of it as it shows the Mowbray line to the Howards differently than what you have on the latest Work sheet - & begins with Roger then John as 2nd Baron, John 3rd Baron, John 4th Baron, Baron Thomas, then Margaret m. Sir ~~Richard~~ Robt. Howard, Sir John, Sir Thomas, Lord Wm., Sir Wm. Sir Francis m. Jane Monson etc.

MARSHALL STERLING [23] HOWARD

Some years back, I corresponded with the Laramie Peak, Wyoming Pioneer Robinson Family, a few weeks after Frank Delos Howard died. Mrs. Robinson, the granddaughter I believe, gave me the only clue they were told repeatedly: that the Delos and Howard family were from Manchester, England. I checked all the Boston, Manchester County, England records with zero result. However, I would have had great success, if I had known about the allied family name of Knox. Please refer to the above American Genealogical information.

It was Frank Delos Robinson, Sr. and my grandfather Harry Delos Howard who were here in Wyoming eight years before statehood. Again, the 1900/1910 WY State Census, I believe, my grandfather and Frank appear in Douglas. Everyone in my family found it odd that their father or my grandpa was in Douglas, so early. However, it was a known fact Grandpa was here before statehood, as a very young boy.

The Robinsons, Howards and Allied families were thick and heavey in Vermillion, Illinois and came from upper New York with the Howards. Mainly Eliakim Howard and wife Margaret Truesdale and the allied Leach and Steele Families were among the Vermillion, Illinois connection. My side continued onto Jacksonville and Diamondville, Morgan County, Illinois.

In my copyrighted rough draft book A RESUME OF THE EFFINGHAM HOWARDS - subtitled TWENTY-TWO GENERATIONS AND BEYOND, I stressed that our Howards never made a move to parts unknown, not until other family had gone ahead and established themselves, so the family that would arrive later would have shelter, food and other essentials. Therefore, Richard Howard certainly was the first in Boston, where his son Edward, grandson Edward and great grandson Matthew made their home.

Matthew was the first to move South, Southwest and Southeast to Tiverton, Little Compton, Dartmouth and Rochester. The point is clear that either William Taylor and/or Richard Howard and/or both first arrived in Boston on their way to Virginia.

I suppose we should relocate the wills of William and step-son Daniel Taylor that Trella had and were 20 to 30 years earlier than the ones listed in Water's Genealogical Gleanings Volume 1, page 272-273. Water's are duplicates, but 20 to 30 years later. My reasoning with Trella was, the earlier wills were the exact date of departure from England and the later were the exact date of death in New England. Remember, Daniel Taylor, was in Rhode Island, on his way to Virginia when he died at his sisters home in Maryland. Also, Daniel's will mentions "Cousin Sarah Howard" and Cousin Matthew Howard".

NOTE: Once again I will be in Dahlgren, VA this Christmas and New Years. I will be 30 minute from a D.C. Metro or a 1 hour drive to the Maryland Hall of Records and a 1 hour drive to Richmond. I will be spending most of my time at my sister's time share condo at Massanutten, Virginia 22840, located east of Harrisonburg, about 10 miles.

Dahlgren is about 20 miles northeast of Fredricksburg. Part of Dahlgren, when the tide is down is really in Maryland. Going north over the toll bridge, a visitor is in Maryland in short order. Mainly the best eating establishing and bar is in Maryland, and yet in the town of Dahlgren. If the climate remains calm, no major storms, mother and I will head to Little Silver, NJ to visit her aunt. A short distance from the New Jersey State Capitol and Archives.

Dear Fran,

It may be that Dorothy Howard's other name was Anne and that Edward Stanley's, was William Howard. [Generation 12].

Therefore, Edward Howard baptized at Turnhurst, Staffordshire, England June 20, 1633, may be the date used for generation number 11.

I think Louise Howard's LDS filmed research [1585-1971], number 1412477, may be alias Lois Nuttall. If you review the succession of Edward's, three of them seem to belong in our lineage direct and allied.

If William/Edward Howard and wife Anne are our 7th great grandparents, the question arises how is it possible that the Darby/Derby, Darsey/Dorsey and Stafford Households all connect in Staffordshire?

I can partially accept Staffords and the Darcy/Dorsey family in Staffordshire, as they were like the Arundels--------married into nearly every family in England and France. But the Darby/Derby Family were somewhat reserved and private, yet they had lots of power and influence to make or tear apart England.

Maybe there is no logical answer and instead the only answer may be, it just happened on some enchanted evening that a Stafford Howard fell in love with a Darby/Derby Damsel in distress.

Anyway, your comments, additions, corrections will be interesting. So far, the legal evidence seems to direct our search away from my Effingham Theory and more into new and exciting directions. Strange how Suffolk Superior Court Docket 3625 and the Bromley research may be the keys that unlock the unknowns. Especially with Hannah/Esther's marriage to a Collier/Collar/Coller.

Hope this letter finds you in the best of health and sprits.

Stay in touch and please write when you have had time to digest the enclosed and this letter.

As Ever,

Marshall S. Howard

Lewis Historical Publishing Company, NY. 1910. 2:734 William Parker married Duchess Margaret Stanely, she gave up her titles and privalages, as this marriage was not given the blessings of her father Earl of Derby. William and Mary ran away to New England, out of fear of being hunted down and executed by her father. They arrived in Massachusetts in 1703 and I believe William and Mary are the parents of Mary Parker who married William Howard and who shared land boundries in Rochester. Williammay be the single T. [page 11] ""Agnes Derby, relict of Augustine Derby of Bisley, in the County of Surrey, England, made nuncupative will May 20, 1650, proved June 1, 1650 in which she bequethed a sum in trust to Henry Collier[1], of Horsebell, yeoman, "He to pay Edward Derby, in New England ten pounds when he shall come and demand the same."

[page 12] This Edward Derby of Braintree, Massachusetts, and may be identical with the Edward Derby who according to Boston Records, was married to Susannah Hook, January 25, 1659 by Richard Bellingham, Deputy Governor.

The latter settled in Weymouth, Massachusetts, where according to the Weymouth Records he had a daughter Mary, born December 29, 1660, and Priscillia, born June 20, 1672[2]. Probably he was father of Edward Derby who married first, in Weymouth, about 1687, Ruth, daughter of Simon Whitmarsh, by whom he had a son Edward S. Derby, born in Weymouth, May 18, 1688, and who married secondly, in 1705, Rebecca (Sumner) Hobart, of Hingham, Massachusetts, who was born in Lancster, the daughter of Roger and Mary Josselyn Sumner of Milton....""

[1] Hannah/Esther Hawkins mentioned in Suffolk County, Massachusetts Superior Court Docket 3625, dated December 10, 1697 is remarried to a Collier/Collar/Coller. Docket 3624 gives son Matthew Howard.

[2] Priscillia was by third wife. Due to the Priscillia Breed and Obadiah Howard connection through Thomas Howard and secret marriage to Margaret Douglass, I have felt their should be a Priscillia in our lineage.

"2. Sir William Monson (1607-c.1678) of Kennersley, Surrey, second son of Sir Thomas Monson, baronet, was created, August 23, 1628, Viscount Monson of Castlemen. He was one of regicide judges, and, though he did not sign the death warrant of Charles I, he was deprived of all his honors at the Restoration, and drawn to Tyburn on a sledge, with a rope round his neck, on the anniversary of the kings execution in 1663. The first of his three wives was Douager Countess of Nottingham; Margaret, daughter of James Stuart, Earl of Murray. The Earl of Nottingham mentioned in this case was her stepson, Charles Howard the second Earl, who succeeded to title in 1624. Winthrop represented the Dowager Countess and her husband. The action was upon a bill of complaint against the Dowager Countess for not having paid from her first husband's estate to the second Earl the sum of 1000 li. as ordered by decree of the Court of Wards in 16 James I.. Sir Robert Nauton's letter of November 24, 1627, to the Countess, written in pursaunce of order of the court to show cause why they should not pay the sum (C. W. 542.1137) is printed in Vol. I p. 370. November 17, 1627, C. W. 542.1196 other entries, besides those printed in Robinson, John Winthrop as Attorney 19, 20-21 are C. W. 543. 4, 187, 557.."

Dear Larry:

Enclosed are copies of the Hopkins, Supplemental line I am working on. Since 1970, I have struggled to uncover the unknowns on the Pettit/Pettet family in Northumberland County, Ontario, Canada, I think my research will be accepted by you and G.S.M.S..

Do I use the "Worksheet for Application" form or is there a Supplemental form? How much are Supplemental Applications?

Enclosed is a self addressed envelope, as I don't always hear the telephone.

Thank-you for your time on this matter.

Sincerely,

Marshall S. Howard.
